Projekt Evropska prestolnica kulture je pobuda Evropske unije, v okviru katere se dvema mestoma v državah članicah podeli ta naziv. Glavni cilji pobude so ohranjati in spodbujati raznolikost kultur v Evropi, poudarjati njihove skupne značilnosti, okrepiti občutek državljanov, da pripadajo skupnemu kulturnemu prostoru, ter spodbujati prispevek kulture k dolgoročnemu razvoju mest. Naslova EPK 2025 sta bila podeljena nemškemu mestu Chemnitz in Novi Gorici (nosilka naslova) v sodelovanju z Gorico, pri čemer gre za prvo čezmejno evropsko prestolnico kulture.

Zgodovina, zgodbe, persone, pretekli, sedanji in prihodnji dosežki ustvarjalnosti, povezovanja in umetnosti obeh Goric se Sloveniji, Italiji, Evropi in svetu predstavljajo skozi vizijo in program GO! BORDERLESS. Središče evropske prestolnice kulture je t. i. EPK distrikt, ki je na novo zaživel na obmejnem, kilometer dolgem pasu med nekdanjima carinarnicama. Na novo oblikovano in prenovljeno območje je postalo središče za dogodke in druženje v letu EPK. Temelji na zelenih rešitvah, trajnostni prenovi in novih vsebinah za meščane in obiskovalce tudi v prihodnosti.

Republika Slovenija ob dogodku Evropska prestolnica kulture 2025 izdaja zbirateljske kovance. Na hrbtni strani kovanca so prikazani delci, kot so raztreseni po okroglem mozaiku na Trgu Evrope med obema Goricama. Med besedama NOVA in GORICA poteka delec kot vzporednica, ki simbolizira stik dveh sosednjih mest. 25 in GO v okrepljeni pisavi stopnjujeta motiv EPK. Na sprednji strani kovanca so delci mozaika razporejeni na nov način, ki razpršeno ustvarja novo podobo ter simbolizira nastajanje novih idej, sodelovanje in ustvarjanje.

European Capital of Culture 2025 Nova Gorica – Gorizia

The European Capital of Culture is an initiative of the European Union that awards the title to two cities in its Member States. The main objectives of the initiative are to preserve and promote Europe's cultural diversity, highlight shared characteristics, strengthen citizens' sense of belonging to a common cultural space, and encourage culture's contribution to the long-term development of cities. The ECOC 2025 title was awarded to the German city of Chemnitz and the Slovenian city of Nova Gorica (the title holder) in cooperation with the Italian city of Gorizia, forming the first cross-border European Capital of Culture.

The histories, stories, personalities, past, present, and future achievements of creativity, integration, and art in the two Gorizias are presented to Slovenia, Italy, Europe, and the world through the vision and programme GO! BORDERLESS. The European Capital of Culture features a newly revitalised ECOC district along a one-kilometre border strip between two former customs houses. The newly designed and renovated area has become a hub for events and socialising throughout the ECOC year, with a strong focus on green solutions, sustainable renovation, and new amenities for both citizens and visitors.

To mark the European Capital of Culture 2025, the Republic of Slovenia is issuing collector coins. The reverse side of the coin depicts elements from the circular mosaic that can be seen in Europe Square, between the two Gorizias. A single, long element runs between the words NOVA and GORICA, symbolising the connection between the two neighbouring towns. The reinforced font of 25 and GO further emphasises the ECOC motif. On the obverse side, the mosaic pieces are rearranged in a new pattern, scattered to form a fresh image, symbolising the emergence of new ideas, cooperation, and creativity.
